## COCKTAILS

<b>Coconut Marg</b>	22
Escape to a sun soaked oasis with every single drop. 1800 coconut tequila, agave and lime juice make the perfect classic to shake up a hot day.	
<b>Clarified NY Sour</b>	24
The most botanical Whiskey cocktail you'll have ever tasted. Melbourne's own Two Fold Whiskey complimented by a high tannin rye Whiskey, fresh lemon and sugar, clarified through whole milk - sourced from the Great Ocean Road. This clear drink is layered with red wine from the Nagambie Region.	
<b>Cherry Negroni</b>	23
This negroni is so smooth it'll have you wanting more. The sweet addition of cherry liqueur helps to round out the bitter, creating a luxurious delight you'll have to taste to believe.	
<b>Simple Southside</b>	22
As simple and delicious as it gets. Four pillars dry Gin, freshly squeezed lime juice, simple syrup, packed with mint and served up to be the most refreshing drink on the menu.	
<b>Strawberry Basil Daiquiri</b>	20
The blend of strawberry cheong and basil pairs perfectly in this daiquiri; making it so good it'll knock your daqs off.	
<b>Ginger Amaretto Sour</b>	23
The perfect mood fix for a dreary Melbourne evening. Amaretto with a touch of rye Whiskey, ginger & brown sugar syrup, lemon and egg white.	
<b>Coco Geisha</b>	24
This silky blend of sake, coconut water and whiskey will transport you to a tropical paradise as soon as it touches your lips.	
<b>Paloma</b>	20
A tall refreshment. Grapefruit, unaged blanco tequila complimented with agave and fresh lime.	
<b>Lemon Tart Flip</b>	21
A boozy lemon tart in a glass. This sweet and sour lemon-y goodness hosts MGC's dry gin, which gives you crisp floral notes within every sip.	

## MOCKTAILS

<b>Honey Southside</b>	16
You wouldn't believe how good this is! As fresh as a simple southside with depth and richness emanating from the honey.	
<b>Raspberry Shrub Sour</b>	18
Zingy raspberry syrup is mixed into a smooth velvety sour, the perfect sweet treat.	
<b>Strawberry Mint Squeeze</b>	16
Refreshingly minty - mixed with lime and sweet strawberry cheong to make a delectable drink you could squeeze into any occasion.	
<b>Lemonyello Rosemary Spritz</b>	18
Something fresh and fun. This mocktail is perfect to sip in the sun. House made lemon syrup with Plus and Minus n/a prosecco and the chefs beautiful rosemary oil.
